	Denial OF STATE ENGINEER  deny  This is to certify that I have examined the foregoing application, and do hereby *** the same, subject to the
folio	wing limitations and conditions:
	This application has been denied on the grounds that the granting of additional water rights for irrigation from the Imlay Area ground we reservoir would conflict with existing rights and threaten to prove detrimental to the public welfare in this area where appropriations exceed estimates of the perennial yield.
	exceed escimates of the pereinital yierd.
